## Procedures for Implementing Salary Increases for Staff Employed under the Sessional and Other Temporary Staff Agreement

### Service Increment

- A service increment is awarded provided: a) that the evaluation of performance in the preceding year was at least satisfactory, and b) provided the staff member has received no more than five increments in the past. Additional increments may be awarded at the decision of the appointing officer.

### Value of Service Increment

- **Full-time Temporary Librarians:**
  - $2,080 per annum

- **Part-time Temporary Librarians:**
  - Full-time increment value ($2,080 per annum) pro-rated based on full-time equivalent (FTE)

- **Temporary Professional and Administrative Staff (Full-time and Part-time):**
  - 3% of staff member’s salary rate after scale adjustment has been applied

### Salary Scale Increase (1.65% effective July 1, 2014)

On July 1 of each year, all staff members are eligible to receive the annual salary scale increase. For staff members whose current appointments extend beyond June 30, 2014, the scale adjustment of 1.65% will be processed automatically by Academic Services effective July 1, 2014. For staff members who are appointed or reappointed on July 1, 2014 or later, the scale adjustment must be reflected in the salary rate.

### Service Increment

- **Multi-Year Appointments**
  - Eligible staff members who are on multi-year term appointments should receive the service increment on the anniversary date determined on their appointment. The Department/Faculty is responsible for issuing a pay action form to increase the salary rate appropriately.

- **Appointments effective July 1, 2014 or later**
  - Eligible staff members should receive the service increment as part of the appointment or reappointment salary rate, after the scale adjustment has been applied. The contract letter and pay action form should reflect this increased rate.

Salary scales for Sessional and Other Temporary Staff are managed based on evaluation levels established by Compensation and Job Design.
